

Kabul Direct Aid Program 2016/17

Applications for the 2016/17 Direct Aid Program (DAP) are now open. DAP is a flexible small grants program funded from Australia's aid budget which is managed by the Australian Embassy Kabul.

DAP funding in Afghanistan is available on a not-for-profit basis to individuals, community groups and NGOs engaged in development activities in Afghanistan. The program focuses on supporting small-scale development projects and activities which can achieve practical outcomes related to community health and infrastructure, economic empowerment, youth, gender equality and poverty alleviation.

To be eligible for funding, projects must fall within the DAP guidelines. The Kabul DAP Committee will consider each application on its merits and make recommendations for funding based on expected development outcomes and whether the proposed project meets the guidelines.

To make an application for DAP funding for 2016/17 download the guidelines and DAP application template <http://afghanistan.embassy.gov.au/kbul/news.html>

Applications must be submitted by 20 October using the DAP template. The Australian Embassy reserves the right to reject applications not submitted in the correct format.
