UCA Admissions in 3 Steps:

<https://www.ucentralasia.org/Admissions/HowToApply>

1. Application

Submit a full UCA Application Form by **March 1st 2019**:

- *Official mark sheets from Grade 10 and the first two quarters of Grade 11 (for the Central Asian applicants) or from Grade 11 and the first two quarters of Grade 12 (for the international applicants). If you are currently a university student, you must submit your university transcript as well*
- *A copy of a government-issued photo ID or Passport*
- *Photograph (3 cm x 4 cm) of yourself taken in the past three months; and*
- *An Application fee equivalent to US\$15 in national currency. **Please note the fee will be waived for students who apply before February 1st 2019.***

You can submit your application in three ways:

1) Submit an [online application form](#). Click here for a [step-by-step guide on how to apply online](#) or visit our [FAQs page](#).

OR

2) [Download](#), print, scan and submit all documents via email to apply@ucentralasia.org. Please attach your application to the email and ensure the attachment and email are named with "Application" followed by your name.

OR

3) Documents can be submitted personally to a UCA School of Professional and Continuing Education Centre (SPCE) in Dushanbe, Khorog, Bishkek, Naryn and Tekeli (see next page for addresses). Please write your full name, email address and telephone number from 9:00 am to 6:00 pm Monday to Friday on the envelope.

Details on how to pay the non-refundable application fee are on the application form. **Please note the fee will be waived for students who apply before February 1st 2019.**

Applications must be received by **March 1st 2019**; UCA takes no responsibility for applications received after **March 1st 2019**.

2. UCA Admissions Test

If your application is complete, an email will be sent to you with your Application Number, and the Test Centre address and time that you will write the UCA Admissions Exam on **March 24th 2019**. The test will allow you to demonstrate your Mathematics, English and Logic skills. Test times and locations will be announced soon. You can only take the test at the location specified in your personal notification.
