All interested Afghan working women are hereby invited to express their interest via sending their updated CVs and reference of current employer.

## Training Summary

ABC, with support of Promote WIE: Women in the Economy's Forward Together Scholarship Program, offers following international certifications in Afghanistan to Afghan Women. The training is valid for working afghan women in any industry:

### 1. FoM (Foundation in Management) Certification

The Foundations of Management (FoM) certificate is designed for employees interested in transitioning to a management or supervisory role. This One Month program provides essential tools and principles to establish a working knowledge of management practice and includes a 90-question online exam to validate learning. Applicants who pass the FoM exam within the 12 months allotted receive a Certificate of Achievement from ICMP (Institute of Certified Professional Managers) USA.

#### FoM Quick Review:

- 1 Month Training
- 3 study formats
- 90-question online exam (ICPM)
- Certificate of Achievement (International) from ICPM

### 2. CM (Certified Manager) Certification

The Certified Manager (CM®) certification is a professional credentialing program that verifies an individual's ability to manage and potential to lead with a level of competency. CM certification is attained by meeting eligibility requirements for education and experience, and passing a series of three CM assessment exams. Program applicants should have prior work experience, but may or may not hold a management title. Employers look to the CM certification to distinguish candidates for hiring and career advancement.

#### CM Quick Review:

- 3 Months Duration
- 3 study formats
- 3 multiple choice online exams each to be conducted at the end of every month
- CM (International) certification from ICPM upon passing exams

- Certificate of Achievement (International) from ICPM
